Building a better Blackpool!

There is a lot of work going on in Blackpool this winter including preparation work for a new tram link to Blackpool North railway station.

At certain times, sections of the Promenade will be closed and buses will have to be diverted around the town to avoid the road closures. We are committed to maintaining our Coastliner link between St.Annes and Cleveleys and we will do our very best to keep to the scheduled times.

Blackpool Transport are going to split their No.1 service at times of disruption, so at these times our No.21 will be the only bus service to link St.Annes, South Shore and North Shore & Cleveleys. From North Shore we will be the only bus along the Promenade to operate through to the Tower / shopping area in Blackpool.
